

Charter  
Secretary of the Navy Advisory Panel

1. Committee's Official Designation: The Committee shall be known as the Secretary of the Navy Advisory Panel ("the Panel").
2. Authority: The Secretary of Defense, in accordance with the provisions of the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended) and 41 C.F.R. § 102-3.50(d), established the Panel.
3. Objectives and Scope of Activities: The Panel, under the provisions of the FACA, shall provide the Secretary of Defense, through the Secretary of the Navy, independent advice and recommendations on critical matters concerning the Department of the Navy, as set out in paragraph four below.
4. Description of Duties: The Panel's focus will include Department of the Navy administration and management, recruitment and training, equipment acquisition and maintenance, military and civilian manpower systems, basing and support infrastructure, and logistical support. The Panel will also focus on research and development matters confronting the U.S. Navy and the U.S. Marine Corps, and on matters pertaining to preserving the history and heritage of the Naval Services.
5. Agency or Official to Whom the Committee Reports: The Panel shall report to the Secretary of Defense and Deputy Secretary of Defense, through the Secretary of the Navy. The Secretary of the Navy, pursuant to Department of Defense (DoD) policy, may act upon the Panel's advice and recommendations.
6. Support: The DoD, through the Office of the Secretary of the Navy, shall provide support, as deemed necessary, for the performance of the Panel's functions, and shall ensure compliance with requirements of the FACA, the Government in the Sunshine Act of 1976 (5 U.S.C. § 552b, as amended) ("the Sunshine Act"), governing Federal statutes and regulations, and established DoD policies and procedures.
7. Estimated Annual Operating Costs and Staff Years: The estimated annual operating cost, to include travel, meetings, and contract support, is approximately \$1.5 million. The estimated annual personnel cost to the DoD is 6.9 full-time equivalents.
8. Designated Federal Officer: The Panel's Designated Federal Officer (DFO), pursuant to DoD policy, shall be a full-time or permanent part-time DoD employee, and shall be appointed in accordance with established DoD policies and procedures.

The Panel's DFO is required to be in attendance at all Panel and subcommittee meetings for the entire duration of each and every meeting. However, in the absence of the Panel's DFO, a properly approved Alternate DFO, duly appointed to the Panel according to DoD policies and procedures, shall attend the entire duration of all of the Panel or subcommittee meetings.

The DFO, or the Alternate DFO, shall call all of the Panel and its subcommittee meetings; prepare and approve all meeting agendas; adjourn any meeting, when the DFO, or the

Alternate DFO, determines adjournment to be in the public interest or required by governing regulations or DoD policies and procedures; and chair meetings when directed to do so by the official to whom the Panel reports.

9. Estimated Number and Frequency of Meetings: The Panel shall meet at the call of the Panel's DFO, in consultation with the Secretary of the Navy and the Panel's Chairperson. The estimated number of Panel meetings is four per year.
10. Duration: The need for this advisory function is on a continuing basis; however, this charter is subject to renewal every two years.
11. Termination: The Panel shall terminate upon completion of its mission or two years from the date this charter is filed, whichever is sooner, unless the Secretary of Defense extends it.
12. Membership and Designation: The Panel shall be composed of no more than 15 members. The members will be eminent authorities in the fields of science, research, finance, history, engineering, business, and industry.

The Panel members will be appointed by the Secretary of Defense or the Deputy Secretary of Defense for a term of service of one-to-four years and their appointments will be renewed on an annual basis in accordance with DoD policies and procedures. Members of the Panel who are not full-time or permanent part-time Federal employees will be appointed as experts and consultants, under the authority of 5 U.S.C. § 3109, to serve as special government employee (SGE) members. Panel members who are full-time or permanent part-time Federal employees will serve as regular government employee members. All members of the Panel are appointed to provide advice on behalf of the Government on the basis of their best judgment without representing any particular point of view and in a manner that is free from conflict of interest.

Panel members, if appointed by the Secretary of Defense or the Deputy Secretary of Defense as SGE members, will serve without compensation. However, Panel members will be reimbursed for travel and per diem as it pertains to official business of the Panel.

No member, unless authorized by the Secretary of Defense, may serve more than two consecutive terms of service on the Panel, to include its subcommittees, or serve on two DoD Federal advisory committees at one time.

The Secretary of Defense, in consultation with the Secretary of the Navy, shall appoint the Panel's Chairperson from the total membership.

The Secretary of the Navy, pursuant to DoD policies and procedures, may appoint, as deemed necessary, non-voting subject matter experts (SMEs) to assist the Panel or its subcommittees on an ad hoc basis. These non-voting SMEs are not members of the Panel or its subcommittees, and will not engage or participate in any deliberations by the Panel or its subcommittees unless the Secretary of Defense or the Deputy Secretary of Defense specifically invites them to participate in deliberations according to DoD policies and

procedures. These non-voting SMEs, if not full-time or part-time Government employees, will be appointed as experts and consultants, under the authority of 5 U.S.C. § 3109, on an intermittent basis to address specific issues under consideration by the Panel.

13. Subcommittees: The DoD, when necessary and consistent with the Panel's mission and DoD policies and procedures, may establish subcommittees, task forces, or working groups to support the Panel. Establishment of subcommittees will be based upon a written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense, or the Secretary of the Navy, as the DoD Sponsor.

Such subcommittees shall not work independently of the chartered Panel, and shall report all their recommendations and advice solely to the Panel for full deliberation and discussion. Subcommittees, task forces, or working groups have no authority to make decisions and recommendations, verbally or in writing, on behalf of the chartered Panel. No subcommittee or any of its members can update or report, verbally or in writing, directly to the DoD or any Federal officers or employees.

All subcommittee members shall be appointed in the same manner as the Panel members; that is, the Secretary of Defense or the Deputy Secretary of Defense shall appoint subcommittee members to a term of service of one-to-four years, even if the member in question is already a member of the Panel. Subcommittee members shall not serve more than two consecutive terms of service, without approval by Secretary of Defense or Deputy Secretary of Defense.

All subcommittee members, if not full-time or part-time Federal employees, will be appointed as experts and consultants, under the authority of 5 U.S.C. § 3109, to serve as SGE members, whose appointments must be renewed on an annual basis. With the exception of travel and per diem for official travel related to the Panel or its subcommittees, subcommittee members shall serve without compensation.

Each subcommittee member is appointed to provide advice on behalf of the Government on the basis of his or her best judgment without representing any particular point of view and in a manner that is free from conflict of interest.

All subcommittees operate under the provisions of the FACA, the Sunshine Act, governing Federal statutes and regulations, and established DoD policies and procedures.

Currently, DoD has approved the following two permanent subcommittees to the Panel:

- a) The Naval Research Advisory committee shall be composed of not more than seven members and shall provide independent advice and recommendations on scientific, technical, research, and development matters confronting the U.S. Navy and the U.S. Marine Corps. Pursuant to 10 U.S.C. § 5024(a), the Subcommittee shall consist of civilians preeminent in the fields of science, research, and development work, and one member must be from the field of medicine.
